campusM™ for Housing Functionality

- RMS Maintenance
 - View Maintenance
 - Create Maintenance
- Room Availability

The screenshot shows a mobile application interface for creating a maintenance request. At the top, there is a black header with a back arrow, the text "Create Maintenance Request", and a menu icon. Below the header, there is a "Type" label followed by a white dropdown menu containing "-- Please select --". Underneath is a "Description" label followed by a large white text input field. A blue rounded rectangular button labeled "Submit" is positioned below the input field. At the bottom of the screen, there is a dark grey bar with two white circular indicators and two white text labels: "View Maintenance" and "Create Maintenance".

The screenshot shows a mobile application interface for viewing available rooms. At the top, there is a black header with a back arrow, the text "Available Rooms", and a menu icon. Below the header, there is a "Category" label followed by a white dropdown menu containing "-- Please select --". Underneath is a "Function" label followed by a white dropdown menu containing "-- Please select --". A blue rounded rectangular button labeled "Continue" is positioned below the dropdown menus.

Assignments Plans
Roommates Cancel Housing Room Change

- Allows user to request to cancel housing application
- Does not feed into database
- Sends email to designated recipient for handling

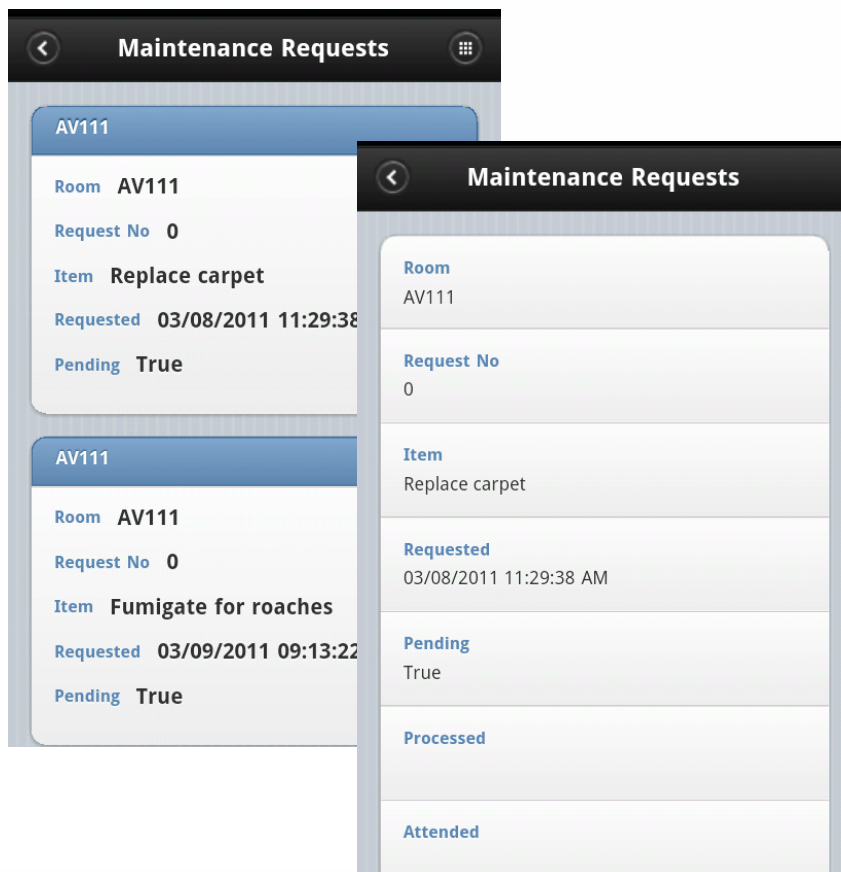

My RMS Account: Request for Room Change

- Allows user to request a room change
- Does not feed into database
- Sends email to designated recipient for handling

The image displays two overlapping screenshots of a mobile application interface for requesting a room change. The top screenshot shows the form with empty input fields: 'Bed Space', 'Date of Change (dd-mm-yyyy)', and 'Message'. A blue 'Submit' button is located below the message field. The bottom navigation bar includes 'Assignments', 'Roommates', and 'Cancel Housing'. The bottom screenshot shows the same form with the following data entered: 'Bed Space' is 'CR311', 'Date of Change (dd-mm-yyyy)' is '28/03/2011', and 'Message' is 'I noticed this room is empty...|'. The 'Submit' button is also present. The bottom navigation bar in this view includes 'Assignments', 'Plans', 'Roommates', 'Cancel Housing', and 'Room Change'.

RMS Maintenance: View Maintenance

- Displays listing of submitted maintenance requests
- Tap on a maintenance request to view request and process details
- All requests, submitted, accepted, rejected are viewable on one list

RMS Maintenance: Create Maintenance

The screenshot displays the 'Create Maintenance Request' interface. On the left, a vertical list of maintenance types is visible, including 'Repair Air Cond.', 'Replace', 'Clean c', 'Replace', and 'Fumiga'. The main form area on the right contains the following fields:

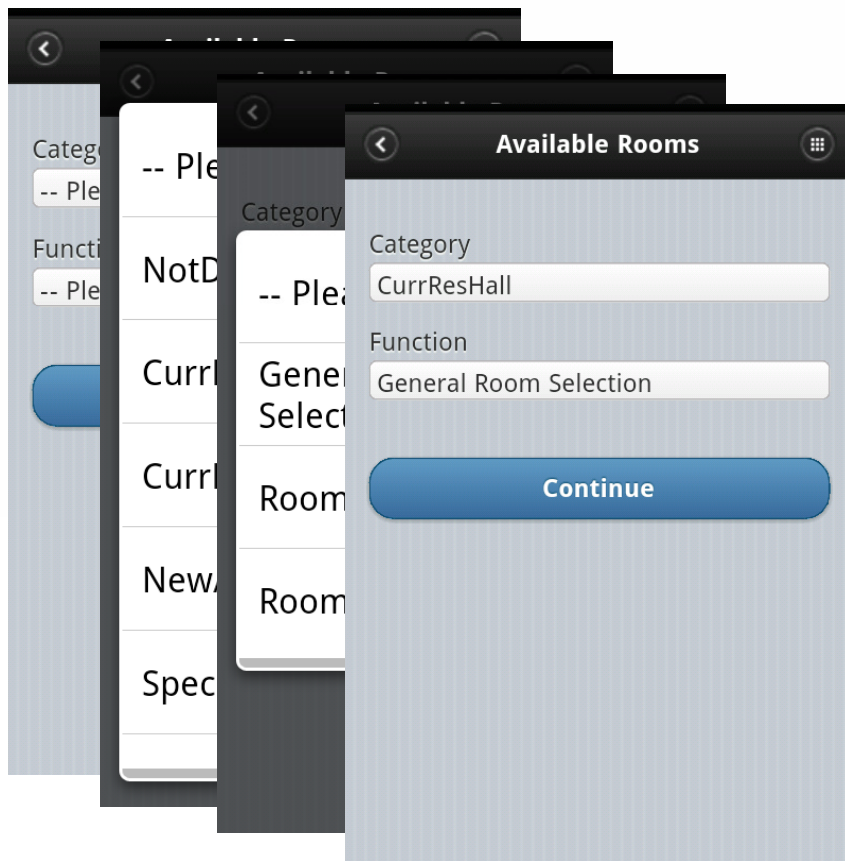

- Type:** A dropdown menu with 'Repair Air Cond.' selected.
- Description:** A text input field containing 'It's too hot in my room.', which is highlighted with a green border.
- Submit:** A prominent blue button at the bottom of the form.

The bottom navigation bar features two icons: 'View Maintenance' and 'Create Maintenance'.

- Allows the user to submit a maintenance request
 - Type list populated from configured items in RMS
 - As with Student Web, submits request to Work Flow
 - Each request submitted on tapping the submit button (no additional step as in Student Web)

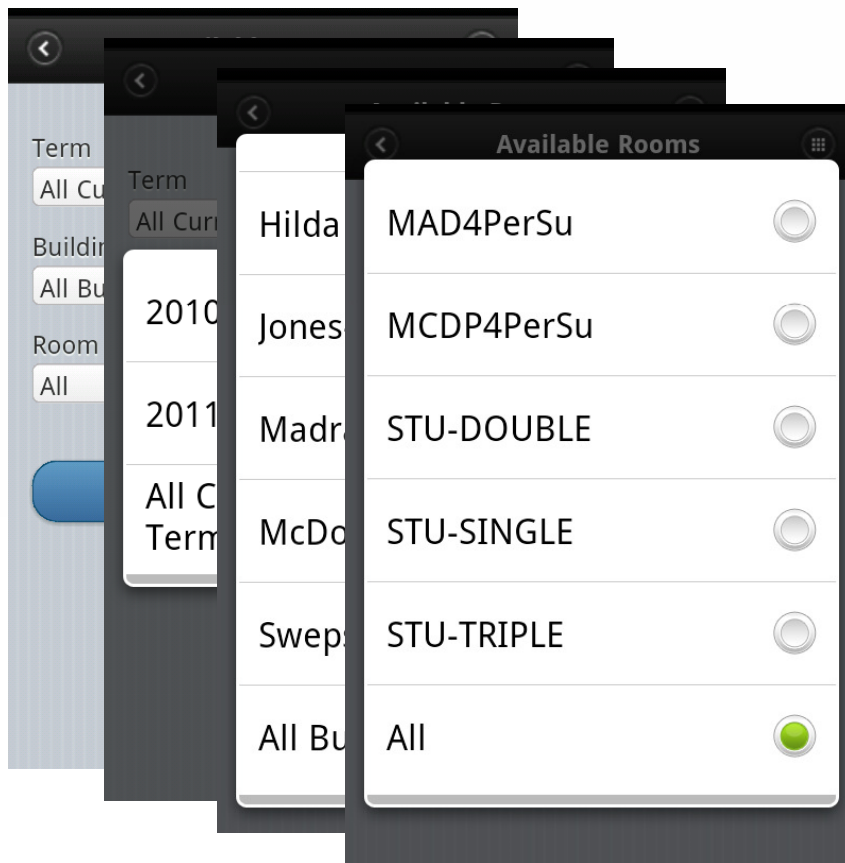

RMS Room Availability: Available Rooms

- Retrieves data based on SWSA Category configurations
- User selects options to filter bed spaces returned
 - Category
 - SWSA Function

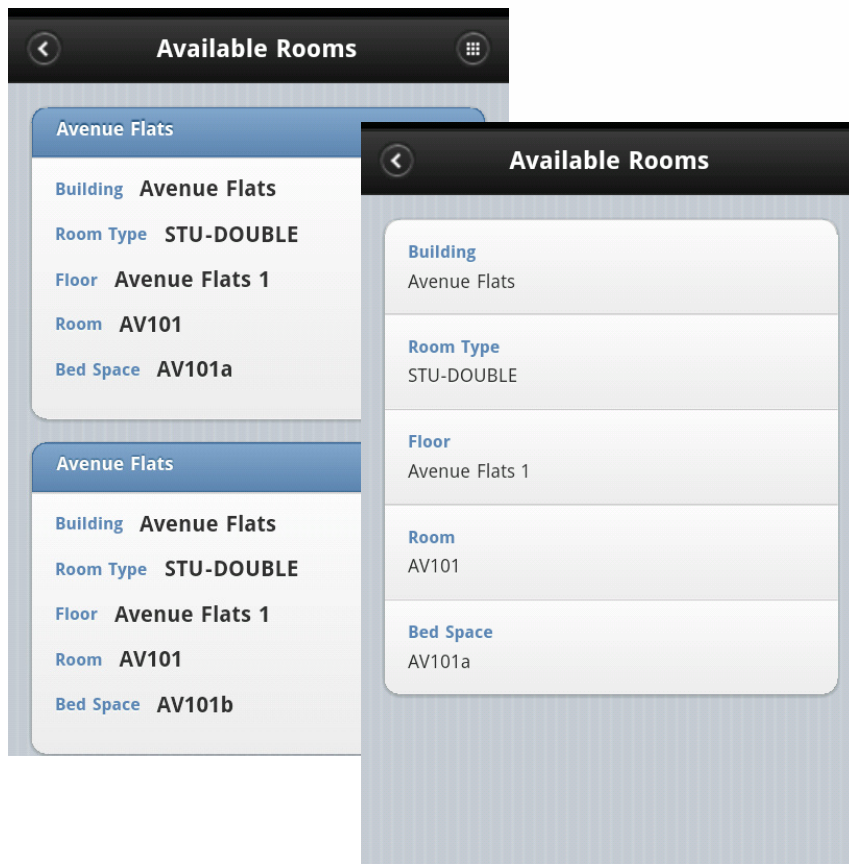

RMS Room Availability: Available Rooms

- User selects additional search criteria
 - Term (for date range)
 - Building
 - Room Type

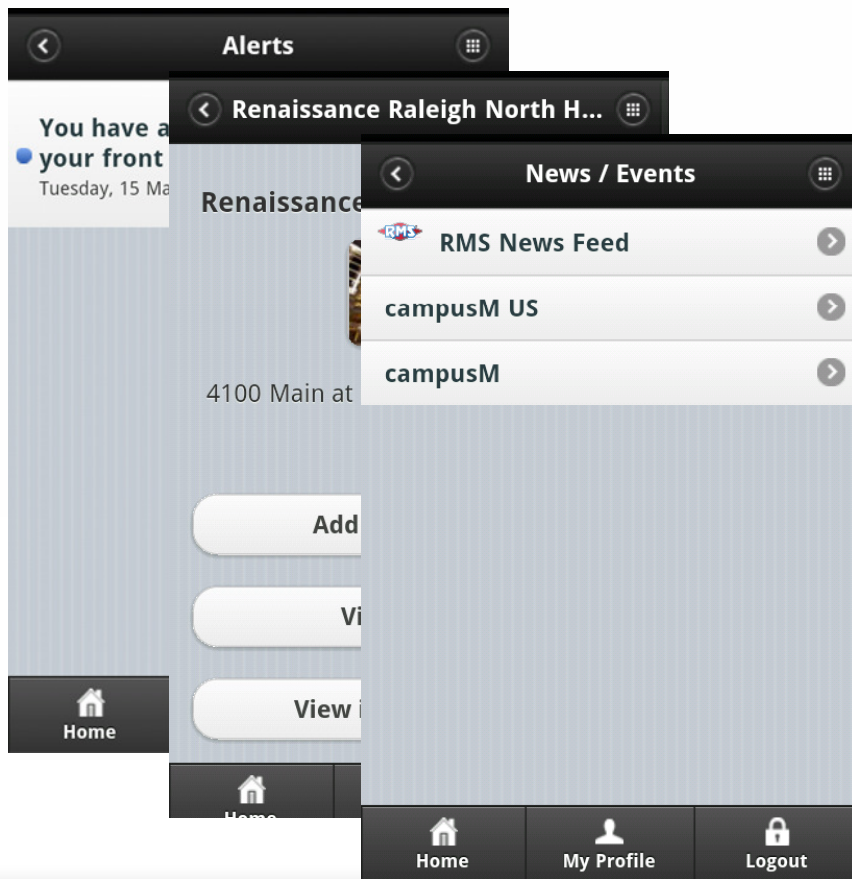

RMS Room Availability: Available Rooms

- Available bed spaces displayed as list of records
- Count of records returned controlled in the App Admin Portal
- Bed space details accessed by tapping on bed space record

Included campusM™ Functionality

- Alerts
 - Generated from RMS
 - Sent from App Manager Portal
- Campus Maps
 - Location/Position Functionality
- News/Events
 - RSS feed reader

Included campusM™ Functionality

The screenshot displays the 'RMS Guide' mobile application interface. At the top, there is a navigation bar with a back arrow, the title 'RMS Guide', and a menu icon. Below this is a sidebar menu with three options: 'Studying abroad', 'Finance', and 'Students Union'. The main content area is a profile update form with the following fields: 'First Name' (Rick), 'Last Name' (Bashaw), 'Email Address' (rbashaw@rms-inc.com), 'Current Password' (empty), and 'New Password' (empty). A blue 'Update' button is positioned at the bottom of the form. At the very bottom of the screen, there is a navigation bar with two icons: a house icon labeled 'Home' and a person icon labeled 'My Profile'.

- Pocket Guide/Content
 - Campus configurable content
- My Profile
 - Maintain campusM™ Password
